

Applicant Information 2020

Thank you for your interest in working or volunteering for EIL UK.

EIL UK is a small but effective charity dedicated to providing intercultural learning opportunities to create a more peaceful, tolerant and understanding world. Last year our cultural immersion programmes included study abroad programme for high school students, family homestays, group educational programmes and language courses for more than 1,000 international participants. Many of our programmes involve learning English and more about other cultures.

We also develop and deliver opportunities for young people of different cultures in the UK to explore each and promote community cohesion and peacebuilding through these and other activities key to our Vision and Mission.

As one of the oldest hosting organisations in the world, EIL UK is a member of Federation EIL, the global network which was awarded United Nations Peace Messenger status.

We are currently recruiting to strengthen our team for the future success of EIL UK. Over the last few years, we have been through a journey of change, re-focusing our vision and developing new programmes.

To support growing demand for our programmes, we wish to appoint:

- A Programme Coordinator to co-ordinate activities and provide logistical and administrative support for UK and overseas participants
- A Communications and Marketing Officer to manage our communications and share the amazing stories our participants have to tell.
