## JOB OPPORTUNITY

### Chief Executive

Salary: up to £42K

Location: Malvern, Worcestershire

EIL is a registered charity enabling intercultural learning and transformative homestay programmes. Working with people of all ages, each year we welcome hundreds of international visitors to the UK and prepare our volunteers to travel abroad. We also run courses for UK participants raising awareness of cultural differences and developing tolerance and understanding of differences. Our programmes teach people that 'by living together we learn to live together' and that together we can create a more tolerant and understanding world.

We are now seeking a highly talented and motivated individual to direct and deliver the next phase of our strategy, scaling up work in our three programme areas: Study, Live and Learn

Reporting to the Board of Trustees, the successful candidate will be responsible for developing new opportunities and attracting funding. Leading a small and dedicated team, s/he will ensure effective management of resources, paying particular attention to the safeguarding needs of the organisation.

Candidates should hold significant experience at senior management level. Third sector experience is desirable but not essential; however previous exposure to working with funders and partnership organisations is key.

Currently this post is full time but applications will also be considered from candidates wishing to work reduced hours.
