

## **EIL UK Applicant Information – Programme Manager Study Abroad**

Thank you for your interest in EIL UK and the post of Programme Manager Study Abroad. EIL UK is a small but effective charity dedicated to providing intercultural learning opportunities to create a more peaceful, tolerant and understanding world. Last year our cultural immersion programmes included study abroad, family homestays, group educational programmes and language courses for more than 1,000 participants. Many of our programmes involve language and culture.

As one of the oldest hosting organisations in the world, EIL UK is a member of Federation EIL, the global network which was awarded United Nations Peace Messenger status. We also develop and deliver opportunities for young people of different cultures in the UK to explore each and promote community cohesion and peacebuilding through these and other activities key to our Vision and Mission.

The Programme Manager Study Abroad is key to the future success of EIL UK. Over the last few years we have been through a journey of change, re-focusing our vision and developing new programmes. We are now looking for a Programme Manager to lead on the delivery and growth of our Study Abroad programmes for UK and overseas participants.
