EIL UK Applicant Information

Experiment in International Living UK

Thank you for your interest in EIL UK and our vacancies.

EIL UK is a small, effective charity dedicated to delivering opportunities for people from across the world to study, live and learn together. Many of our programmes involve language and all promote intercultural learning.

Our Vision is a future where people understand and value different cultures and work together to create a more tolerant and just world.

Our mission is to work globally to provide intercultural learning experiences that enrich lives and promote understanding of other cultures. We offer opportunities for people to learn and live together, inspiring and empowering individuals and communities to create a fairer, more peaceful and sustainable world for all.

As one of the oldest hosting organisations in the world, EIL UK is a member of Federation Experiment in International Living (FEIL), the global network that was awarded Peace Messenger status by the Secretary General of the United Nations in 1989. We develop and deliver opportunities for young people and adults to explore different cultures here in the UK and overseas.

The vacancies being advertised are key to the future success of EIL UK. Over the past few years we have been through a journey of change and developed new programmes and projects to support our vision. It is an exciting time to join our organisation as we grow our existing programmes and develop new ones to meet the increasing demand for places on our educational programmes.

We are looking to recruit staff and volunteers who have an interest in our work. If you would like to be part of a dedicated and dynamic team and help us grow the organisation's activities here in the UK and abroad, take a look at our current vacancies: https://eiluk.org/vacancies/
